FNA

This past year has been a busy one for Future Nurses Club, beginning with initiations and completing the year with our May car wash.

During the year we have tried to cover different occupations for nurses. Included are Navy nurses, school nurses, etc. Most of the other meetings were occupied by guest speakers telling of their experiences as licensed nurses or student nurses. Also included in the year's activities was a tour of all three area hospitals' schools of nursing.

In March the club had its most rewarding project of the year, our annual service project. We played bingo at Parkview South Unit and made flowers for all of the patients. We had a booth at Sadie Hawkins and made a small profit.

HERALD

It's May and the MIRAGE editor tells me I have to write a story about the HERALD, but the only true story of the HERLAD staff is the products we produced 18 times this year—our newspaper.

It was occasionally called "nasty and disrespectful" and the editors were branded as "negativeists," by many of the readers. Other readers said we were doing a good job. At any rate, we had a good time and learned a little at the same time.

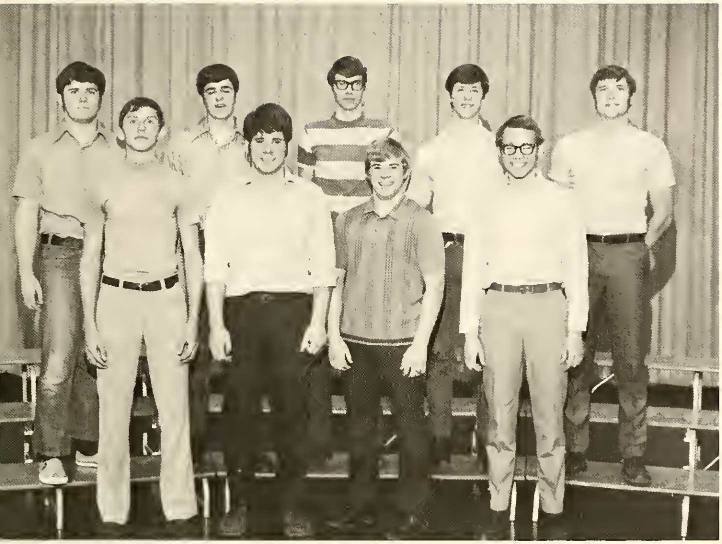
PEP CLUB

This year's Pep Club continued it's job of promoting spirit partially by painting signs urging athletes to STOP YOU FOE, YIELD TO NO ONE, SCALP REDSKINS . . . A personal touch was added by making locker signs and TP'ing the athletes' homes at Homecoming and Sectionals. Varsity and JV Pep Clubs with their purple jumpers and shakers combined before home games to do routines and sing **America.**

Ramona Barwiler



BOOSTERS

This year Bulldog Boosters Club was highlighted by lack of participation and interest. There was poor attendance at meetings and especially at basketball games. Disorganization plagued the club at the beginning of the year. There was no list made of the 1970-71 members, and the only way I knew who was in the club was by recognizing their faces. Only a few were dedicated to the club who sold sectional derbies, led cheers and did club duties. The only things accomplished by the "club" was the purchasing of corsages for the cheerleaders and the yelling of a cheer called "funk."

Dave Butler

SCIENCE

Science Club got off to a start this year with a picnic held at one of the sponsor's homes. For entertainment there was volleyball, pingpong and records. In January we took a field trip to Pribble Plastics, where we saw how raw plastic material is molded into useful components. Highlights for the month of March included a film on the Kodak Teenage Movie Awards and a tour of General Telephone's long-distance dialing equipment in Fort Wayne. Our year finally ended with a Chinese banquet at the Pagoda Inn.

Clark May

letterman's club

John Gaughan, the football coach at St. Bade's Academy located near Chicago, was the guest speaker at the Athletic Banquet May 11. Guests at the banquet were freshmen lettermen from Village Woods and New Haven Junior High and eighth grades receiving letters at Central Lutheran and St. John's Catholic schools.

To be in Letterman's Club an athlete must earn one varsity letter and be approved by the Athletic Council. During the year the club took care of the trophy case and sold over 300 class numeral t-shirts.

Seeking to promote Christ through young athletes is the objective of the Fellowship of Christian Athletes. The group met in the evening at member's homes to discuss matters of how to solve some of the problems at NHHS.

We talked of Christ and how He could help each of us.As we listened to records and watched films, the message began to come across to us.

Mr. Everett Cass, Mr. Frank Clark, and Mr. Pat Monaghan sponsored the group which was headed by the following officers: Jerry Fuhrman, president; Terry Hoeppner, vice-president and president-elect; Jim Lahr, secretary-treasurer; and Dean Roney, bulletin board chairman.

NFL

I would say that NFL is probably the most misunderstood organization at NHHS. We are often looked upon as being a "scary" group of people who obtain some sort of bizarre pleasure out of getting up at four o'clock every Saturday morning of the school year. Actually, we are a group of young people who have our own way of saying I AM. We gain a feeling of worth, while we contribute to the school.

During the year we competed in many tournaments—some with good results and others with bad results.

Special recognition goes to Kathy Kelly, Becky Miller, Janet Holsaple, Peggy Newhall, and Scott May who competed in state competition.

Masque and Gavel officers for the year were Gary Hazlett, president; Clark May, vice-president; Peg Gable, secretary; Pam Lehman, treasurer. Three one-act plays entitles "For Whom the Telephone Rings," "Where's That Report Card?" and "Couldn't I Kiss You Goodnight?" were performed at various community functions throughout the year and also at an assembly for the student body.

Blithe Spirit was presented March 4, 5, and 6 in the high school auditorium with a new lighting system just recently installed. In the spring, the new constitution was approved by the membership. Final actions of the club included a ticket banquet, an initiation banquet, and induction of new members.

student congress

The Student Congress was busy this year sponsoring the homecoming dance, parade and coronation, holding an after-game dance, sponsoring an Easter party for orphans, and placing a juke box, candy and coke machines in the cafeteria.

A new innovation this year was the building of a Student Congress office where a representative sat every period to receive both complaints and suggestions for the betterment of the school.

Again this year Congress supported an orphan, Martha Rosas, with financial aid, gifts, and letters. The annual Christmas canned food drive was held with the senior class winning the contest.

NATIONAL HONOR

In National Honor Society this year, much work was put into the planning of our annual induction ceremony held on Friday, March 19. In addition to the seniors and juniors being invited to the assembly, all sophomores on the Honor Roll were also asked, either to attend the assembly or to help serve punch at the reception afterwards.

On Sunday, April 26, the newly-received junior members held a picnic for all the senior members at Bill Pond's house.

FTA

Future Teachers met twice a month devoting one meeting to business and the other to informative programs.

We formally started with a membership party on November 3, 1970, and then planned the annual Teacher's Christmas Tea. Besides entering a booth at Sadie Hawkins in March, we planned various educational programs designed to further our knowledge on new teaching methods.

We closed the year with a spring picnic.

RIFLE

The New Haven Junior Rifle Club started the school year by training any interested boy in a six week marksmanship course. After completing the training course, the new members were inducted.

Matches were held against Concordia and Adams Central High Schools and the Marine Reserves. Team members participating in these matches were the high scoring club members: John Larsen, Howard Ericson, Rex Daily, Carl Hendrickson, John Bruick, Dave Shannon and myself.

STENO OEA

This year New Haven OEA members had several projects.

Although our decorations never showed up and the rain was determined to fall, our hearts were in the right place as we entered a car in the Homecoming Parade.

The girls collected canned goods to donate to the New Haven High School Needy Family Christmas Project, which was the largest donation.

For Sadie Hawkins we decided to be different. We used the whole upstairs hallway to make a haunted house. In 1 1/2 hours we took in over $55.

Two field trips were very profitable—one to Woodlan High School and another to the IBM headquarters in Ft. Wayne.

On Saturday, March 20, we had a Stenorama banquet. It was a success with 66 persons attending.

Karen Morris

Clerical OEA

One of our biggest and most exciting projects was the film we constructed for Sadie Hawkins. It consisted of candid shots of Clerical Lab members, instructor Mr. Norman Stephan, and student reactions to them.

A lot of hard work and determination went into preparing for local and state contests. Much class time and effort was needed from both our lab instructor, Mr. Stephan, and the girls participating in the contests. We were particularly proud of Diana Rehm and Maria Anastasia that won in their division at the state level and advanced to the national contest.

We enjoyed the experience of viewing a live office situation when we toured Lincoln Life in May. Our field trip to Mutual Security and also very interesting and resourceful.

Along with all the work put into Clerical Lab throughout the year, we were all allowed some fun and relaxation during our class picnic in May.

FBLA

The purpose of Future Business Leaders of America is to help students understand and learn more about business and its operation. We accomplished this by taking tours of local businesses and inviting speakers to come and tell about their line of work.

Several projects taken on by the club were the entering of a car in the Homecoming parade and bringing a little Christmas spirit to New Haven by placing stockings filled with cookies, candy and oranges on all the desks in the office.

Debbie Neff

RED CROSS

Although we are still relatively small, Jr. Red Cross Club hopes to serve both the school and the community to the best of its ability. Through volunteer work in the community the club hopes to improve school and community relations. This past year, almost $50.00 was collected from students at New Haven. This money was sent to the American Red Cross and helped to finance Red Cross activities in the community. Next year, Red Cross Club hopes to grow; we hope to be able to participate in projects which will help those most in need.

Pamela Gantz

LATIN CLUB

Month-long pledgeship activities climaxed by initiation in October, started off Junior Classical League activities for the year. We joined in the spirit of Victory Hall with our poster and entered a chariot in the Homecoming parade.

Throughout the fall we made a good showing in the Inter-lingual Soccer League. December was marked by the annual Saturnalia festival and caroling in Latin in the halls.

Slides from the Latin Honors Abroad Trip and class skits, "As the Terra Turns," "Pyramus and Thisbe," and "Julius," gave enjoyment and laughs to the JCL meetings.

School spirit was not forgotten as Latin Club sold Bulldog windshield decals for sectionals and operated a Sadie Hawkins booth. During the spring, we resumed soccer warfare. The State JCL Convention at Indiana University at Bloomington, elections for new officers, and the annual Roman banquet, complete with chariot races and a slave auction finished the year's activities.

GERMAN CLUB

German Club started its year with a membership drive, initiation, and hayride. The Victory Hall Trophy was retired after "Deutscher Vereign" won it for the third consecutive time. To add fun and just a little education to the meetings, such things as "Bier Fest" and a slide presentation given by members who have visited Germany were added. A skiing trip was part of Christmas vacation for many of our sports enthusiasts. For others, soccer games in the spring and fall combined fun with competition to win the trophy owned jointly by the foreign language clubs. The "Dunking Booth" at the Sadie Hawkins Fair was a large success made possible by some very cooperative teachers and eager-to-punish students.

Jim Ringenberg

Le Jacquerie

Le Jacquerie, more commonly known as French Club, had one of its most prosperous years. For the second year in a row, it captured the trophy for the best car in the homecoming parade.

During the month of December, a Christmas party was held in true French tradition.

For initiation, each member had to portray some famous French person or building.

For Sadie Hawkins Day, the club sponsored an apple dunking booth, which proved quite successful.

The year ended with a banquet at Cafe Johnelle where the new slate of officers, the announcement of scholarship recipients, and thanks to this year's officers were given.

fine arts

Fine Arts Club has been more active this year than ever before. The club saw two major plays, **1776** at the Scottish Rite Auditorium and **Charlie Brown** at Ball State. Towards the end of January, Fine Arts Club sponsored a talent show, Happening '71. There was great response to the show and as a result a half-hour television show, Talent Showcase, was taped and shown on WPTA. Fine Arts Club also participated in the Homecoming activities and Sadie Hawkins. We closed our year with a banquet and we also attended a play.

Diane Kearns

sports manship council

If one had walked into the cafeteria at 7:15 on a first or third Monday morning, he would have seen a drowsy, sleepy-eyed group known as Sportsmanship Council. Although our spirits had not yet risen at this unearthly hour, we did succeed to raise some of that good ol' NH spirit.

Sportsmanship Council fired up in October by sponsoring the annual Homecoming Bonfire. Yes, it was a hot time at the old field that night.

We sponsored a Spirt Hall contest at Sectionals time between the sophomores, juniors and seniors. Each class worked hard decorating its hall, but the Senior Hall was judged most spirited. A Thanksgiving basketball skit introduced that great bulldog helper "Super Turkey." Many students didn't understand our skits; I guess the skits were just above their heads.

Having only $9.63 left in the treasury and having just purchased one page in this yearbook, we decided to sponsor a booth at the Sadie Hawkins Country Fair.

Experimenting with graphics, designs and free lance art the MIRAGE staff hopes it has presented you with a volume that captures the tempo of 70-71. It may not be exactly what you wanted but neither was the school year.

"A danger of the Press that gives the people what they want in that there is in the situation an enormous incentive to publish twadle," Henry R. Luce once said, "Yards and yards of mediocrity, acres of bad fiction and triviality, and square miles of journalistic tripe." Let me explain my position on tripe by saying that it has never gotten far with me or with the members of my staff to whom I owe thanks.

Thank you
sometimes seems
too small or
too trite
to say what we feel
to those who have
given so much.
If thank you's
came in mountains
I'd wish an Everest
or at least
a McKinley
To
Melanie Armstrong
Kathy Snyder
John Bremer
Norma Kopper
Sue Hirschy
Mrs. Rosemary Travis
Mr. Jim Yunker
my parents
and
to many others
who will remain
nameless here
but not forgotten
for all they did
to help me
with the
MIRAGE.

Ilene Silverman

There are doorways
I haven't opened
and
windows not yet looked through
Going forward
may not be the answer,
but it is all I have
I must dare
FOR I CAN NOT GO BACK

If I don't know who
I am

maybe I might
find out who
I was

Now we've finished just retiring to begin again
